Sisifo

ДИЗАЙН:

Scott Wilson
2013

МАТЕРИАЛЫ:

round head; external aluminum, internal that actually transmit the light in pmma; orient able stem in chrome brass; cylindrical base; external extruded aluminum, internal structure in zamac

ОПИСАНИЕ:

Table lamp combining the needs for visual comfort and ambient lighting. Materials: head and cylindrical base in extruded aluminum, adjustable stem in chrome-plated brass, diffuser in PMMA. Specification: the spherical central joint guarantees maximum freedom in adjusting the light with minimum restrictions due to the small size of the base, allowing its use on both larger tables and small-sized surfaces. The iconic fl at diffuser can be tilted in all directions, providing warm relaxing light for any environment. Light control system: tapping the touch dimmer: LED source will turn on/off; Pressing the touch dimmer: LED source will dim up/ down. The dimming is reversed when releasing the pressure from the touch dimmer.
